For your convenience, we are making our residential United Fund appeal through the mail. This enables you to make your contribution at a convenient time.

We are again asking you for your generous contribution to reach our goal of $55,000 for the 2013–2014 year.

Included in this brochure is a listing of each organization benefiting from our drive. Please mail your contribution in the self-addressed envelope. Otherwise, drop off your contribution at ***Bank Midwest, United Prairie Bank or Jackson Federal Savings and Loan.***

Remember, your one donation helps many organizations. Whether young or old, all of us benefit from the United Fund.

Thank you

Jackson United Fund

The mission of the Jackson United Fund is to raise money for non-profit organizations that help people, and improve the quality of life in our community and the surrounding area.

The Jackson United Fund exists for three reasons:

1. So that you, the participant, might receive the best investment of your charitable dollars.
2. So that you, the participant, have the convenience of making one donation that will be distributed to many non-profit organizations in our area.
3. So that the recipients may keep their administrative costs to a minimum. Jackson United Fund is a non-profit, volunteer organization with no paid staff.

It is our firm belief that we all benefit from this endeavor.
